

Summer Work

Dear Parents and Students,

Welcome to 2nd Grade!! We are looking forward to a successful and rewarding school year. The workload, responsibilities, and expectations are greater. We want to keep the learning fresh over the summer months so each student will be receiving a “Kids Learn! Getting Ready for 2nd Grade Workbook”.

The students will be responsible for completing weekly language arts and math assignments for six weeks. The books are due on: Monday, September 12, 2022. There is a Parent letter on page 4 for tips to keep in mind as your child is working through the book. All students are encouraged to complete 1 language arts page per day, 1 math page per day and 1 writing activity a week for six weeks. The weekly assignments begin on page 14. There is also extra practice for test taking on pages 81-95. We look forward to working with you and your child this Fall!
