Dear Parents and Students,

Welcome to 3rd Grade!! We are looking forward to a successful and rewarding school year. The workload, responsibilities, and expectations are greater in order to prepare each student for fourth grade. We want to keep the learning fresh over the summer months so each student will be receiving a “Kids Learn! Getting Ready for 3rd Grade Workbook”.

The students will be responsible for completing weekly language arts and math assignments for six weeks. The books will be due on : Monday, September 12, 2022. There is a Parent letter on page 4 for tips to keep in mind as your child is working through the book. All students are encouraged to complete 1 language arts page per day, 1 math page per day and 1 writing activity each week for six weeks. The weekly assignments begin on page 14. There is also extra practice for test taking on pages 81-96. We look forward to working with you and your child this Fall! The completed workbook is to be submitted as their first assignment of 3rd grade next Fall 2022 on September 12, 2022.
